Membership in a Zonta Club is by invitation. Members of Zonta Clubs are executives in business and the professions who are in a decision-making capacity. Zontians are actively engaged in at least 50% of a normal workweek in a recognized and reputable business or profession. A club's ability to extend an invitation may be affected by several factors, including internal guidelines for representation of a variety of professions.

If you are a professional or a business executive, and are interested in becoming a member of a Zonta Club in your area, complete the following and submit to this address or email:
